## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

2 too my working career came to an end in NYC because of disability to my feet (sales - marketing - advertising). A friend discovered I could sing had me record a few songs for the dance and so began a God send something to do - product, it led to me having a YouTube Channel which Yt took over (stole 500 of my music videos) to place into an Indian - Western Channel - Valmiki Ramani International Songs & Love m, they still illegally use it followed Yt to monetize my videos got gone to wrong to my Harbort NY PH. Never did.

I was left with a great many songs with no where to show them - Someone suggested I put them on the digital market, began with DITTO music so I suppose I was continuously robbed and violated. The many come from my family in Canada.

to pay the distributors. Tune core inc received about 76 singles and albums. I told them not to put it on Youtube as I had them in Court. They said we have a special agreement I said I hold you responsible for the singles, no album is to be given to them. Tune core disregarded me and gave away this to Youtube who were placing video and banners ads on my material. I opened a Civil Law suit against TuneCore inc they took all the material off Youtube except for album Across the Pond (British Pop music) which they still have up to this day. (Type signature in and it comes up) So add insult to injury this year TuneCore inc falsely said it renewed payment for the Album INJURIES: Add in attached file.

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

#### IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I am seeking the maximum monetary damages allowed by this Court from TuneCore Inc. They stole from me violated my property degraded my albums as is stated in the attached case file.

TuneCore Inc

Defendants

Reply to Motion

① I VALMIKI RAMANI hereby attest that all information in the Lawsuit against TuneCore Inc is true. Further I request default judgement as the Defendant had 30 days to reply to the Lawsuit, I will hereafter address the legal representative defense.

② I engaged Tune Core to distribute my music worldwide with a cover to all major plat forms and digital stores, however I told Tune Core I did not want my music distributed to YouTube as I have an ongoing case against them in federal court for the theft of 500 of my music videos, and the illegal take over of my former YouTube channel VALMIKI Ramani International Songs of Love, they eyed it as a good platform to introduce East-West

(1)

Musical - Cultural Content because they GT have a large station in Mumbai India, you Tube today has Indian music - cultural content widely on their platform. Although I closed my channel, you Tube refused to shut it down and still allow it to be alive using it in violation to Law. Tune Core the defendant, did their best to persuade me that they had a special agreement with you Tube and I should allow them to exploit my property on the platform which they would refrain from, (1) Having any of my content be placed on Indian sites which they violated, and only my singles - songs were allowed to be put on you Tube not my albums as I have to market them differently, and were not suited for you Tube despite this Tune Core Inc gave you Tube my premium album RAMANI Romance consisting of 8 highly produced songs, as I had them mastered by an engineer Tim Boyce of NYC at a cost of over \$100 each.

(2)

Tune Core gave YouTube my album and YouTube degraded this highly produced album by breaking the album up and placing it on Indian Sites diminishing the value of the album. Further more Tune Core gave YouTube two other albums, LATIN Moments and Across the Pond both prime albums, degrading their value.

③ I, after initial release of songs to Ld Tune Core I wanted all my material taken down from Amazon as they were using my song covers to promote other artists works, songs were taken down but despite this request Tune gave to Amazon Two songs as per their request Somewhere my Love and When there's no you. Further more Tune Core hid from me that my songs would be exploited by YouTube music, which I only recently discovered - See exhibits -

④ Upon putting my content on YouTube, it

③

Immediately putting one to two video ads plus banner ads on my songs creating huge revenue which Tune Core reported to be within \$3 plus dollars occasionally. After I eventually forced to have Tune Core take down my album *RAMANUJ ROMANCE*, YouTube cease to put ads on the songs, and only recently started to do so again recently. Tune Core deceived me and worked with YouTube to exploit my material for monetary gain.

- ⑤ Further more Tune Core Inc gave a phone number that does not receive calls and a business address which is a mail box in a print shop in Brooklyn as reported by Brooklyn Sheriff as he tried to serve the summons and complaint, he then instructed me to serve it on the Secretary of State of NY in Albany.

⑥ The defense attorneys are attempting to discredit my character by referring to my law suit against President Obama over the Oil Spill in 2010. We all could remember the oil gushing out of a broken well which BP-US of the US Government could not contain. The US Government - Obama asked the public if they knew of any ways to solve the problem to offer it. Regretfully I did. I had spent a short stint as Office Cadet for a Canadian shipping company bring ore out of South America to Trinidad in the West Indies, and take back fuel for the mining company. While on watch on the Bridge I would observed blobs of orange-brown crude oil disfiguring the lovely coast of the Bay, and there I conceived an idea of how to get rid of it. It is crude so you cannot strike a match and it would ignite, I decided in my mind to pour kerosene, gasoline, etc to set it afire to burn. I offered this idea in a letter to Obama as reported by the NY post, that should he use my method he would have to compensate me not stating a sum, I also told him how to plug the well. (5)

Ever wonder how we suddenly saw the oil gushing out a broken well suddenly stopped on T-V, well I could not lay claim for my method as it would have to be patented. The US government received Billions for the well plug and clean up from BP-US and gave me nothing, I later sued BP-US as an assigned third party but had to drop the case because they submitted huge amount of false press releases saying they started burning the oil amount before my letter reached Obama yet still this was not released nationally until two weeks after my letter reached Obama, in which in his first Oval office speech he told the nation the oil was being burned. Defense attorneys should be ashamed of themselves for bringing this case up to discredit my character - disgusting!

- ⑦ Tune Core has deceived me, devalued my property, Two albums still on YouTube and tells me my earnings for all their time

2

is around \$32

- ⑧ I ask the court to award me the full sum of this lawsuit as asked for and any other compensation as deemed fit.

VALMIKI RAMANI

Plaintiff

Complaint-Discovery

TuneCore

Defendants

① I VALMIKI Ramani of 139-05 DR Briarwood  
ny 11435 hereby deposes that I paid Tune-  
core to distribute cover songs that I  
recorded, worldwide, and on under a separate  
agreement to Youtube and Facebook for  
monetization. This began in Dec 2 2020  
to the last uploads in Feb 2021.

② TuneCore gave me an address of their  
place of business as being TuneCore Inc  
63 Pearl St, Brooklyn NY 11201 and  
also supplied a PO Box 256.

③ Tune never provided a written agreement  
of terms of distribution; or detailed description  
of revenue reporting

(1)

- ④ Income for online digital stores would come from two sources, streaming of songs and the download of a song. While income from YouTube and Facebook would come from streaming and advertising.
- ⑤ In 2016 I began a YouTube music video channel reaching 427 items YouTube saw my viewers reached over 10,000, to 15,000 and ask to monetize the videos I agree and told them all revenue was to go to New York Presbyterian Hospital, I informed the hospital, who never got a cent. My channel's name was Valmiki Ramani International Songs of Love (all Western songs, not the cream of American and British music) YouTube have a large station in Mumbai India, and had two Indian Coolies working, together they liked my channel concept and decided to take it over. Towards the end of 2019 YouTube stole 100 music videos from me and special video clips. I had 263 of them on a backup hard drive and arranged for HP Smart friend of which I am a client helped me post them on the channel, I then recorded and made

another 100 music videos, In the time between Jan-Feb 2020 YouTube stole all 100 music videos, I filed a lawsuit against them in my state Supreme Court I had default judgement of which the Judge refuse to grant me. I then took the case to the Federal Court 500 Pearl St my ny. Later it had to be sent to the federal Court in N. Calif. through a technicality, because I would not be in California 20th of Jan 2021, the case was assigned to a magistrate, who is currently working on it. They eventually forced me to lose my channel and retain my name and features an lost work.

(6) I made it known to Tune that I had the case against YouTube, and did not want any of my songs on YouTube, they assured me for the fee of \$10,00 they had a special agreement with YouTube and would be responsible for my songs and the collection of all advertising revenue. I uploaded my first song Dec 3 2020 and YouTube began putting video ads on ~~them~~ it, and banner ads, some times 3 ads in one viewing.

(7) I keep putting songs up on the digital stores uploading to TuneCore and YouTube was having a field day with ads on the

Songs. Then I produced an album Ramani Romance to be sold only in stores not to be given to YouTube as this would degrade the Album value and my marketing plans this album cost me one \$1,000 to produce as I hired a well know engineer here in NYC to master the 8 Songs.

(8) YouTube saw the album and persuaded Tune to release the album to them. He, YouTube cut the album up by individual songs and even placed this highly produce album among 5 Indian Sites degrading it's market value. Eventually I was able to get Tune Core to stop YouTube use of the album and, on Feb 1 2021 in retaliation YouTube stopped placing ads on my songs. Tune Core did nothing about this. Later I released other albums (1) Across the Pond and (2) Latin Moments YouTube wanted them and again Tune Core gave it to them against my objections. This can be seen on channel VAlmiki Ramani or my Label V R I S O L.

(9) During Mid March TuneCore carried out a promotion of MARC150 (code) to get 50% discount on publishing cost, I took advantage of it and started uploading several singles the last, How wonderful to know, and two albums @ songs each of my two Lead songs IF I given my heart to you (Elizabeth on the Taylor on the cover) and Can't help Falling in Love (Lauren Conrad on the cover), because I kept demanding that they take my albums off youtube and my criticism of their management of my account, they took down all the discounted songs.

(10) Instead of one person assigned to handle my account TuneCore had different people from various places pick up my account to handle issues, all with their own opinions and prejudices. There is Cory who wrote me an email after I had uploaded two songs My Way, and You don't have to say you love me, saying he was of the opinion that I was sending in songs other people said not how would tear my account down. These songs were recorded back in

in 2000 - 20001, My way received a standing ovation and you don't have to say you love me was the dance favorite, the dance was kept at the Garden Jewish Center in Whitestone Queens.

(11) To show the outrageous behavior and conduct of TuneCore towards me, they published an income report, stating that, I had earned from YouTube \$7. The insults to end all insults, when the income should be in the hundreds of dollars. Furthermore TuneCore does not provide a detailed report on revenue earnings, therefore they could just be giving me what they want to.

(12) Example of ads by YouTube on my songs. Before TuneCore I had around the same amount of songs with a distributor called CDBaby, I never ticked off YouTube as some platform I wanted my music on. I always unticked YT. YouTube heard the song DONT and wanted it, they used it to put ads for Tick Tock

which earned them a lot of money, I took my business away from CD Baby and filed a lawsuit against them awaiting default judgement. Another company the first distributor I paid to distribute 6 songs, after a while locked me out of my account and continued to market my songs world wide, and had them on YouTube who were placing ads on them, I complained to the British Consulate here in NYC against DTS8 music they said it was theft I should contact my consulate in London, I did so never got a reply, I then wrote to President D. J. Trump who immediately had the songs taken down from YouTube. To this date through several distributors I have been robbed and never held a penny from my property revenue.

(13) I am hereby asking the Secretary of State of New York and the Civil Court of Queens New York to grant me the sum of \$24,000 as compensatory and punitive awards for what Tune-Care has done to my property, and that

Tune Core have all my songs and albums immediately be taken down from YouTube, they of which can be seen in part on the general YouTube site or under my two channel names VALmiki Ramani and VRISOL.

- (14) Let it be known the a major contention by me against TuneCore, is for them to put a halt of YouTube putting my music on Indian sites. ALL my music is the cream of music of Western Civilization from the 50's to the 90's. Placing these songs on Indian sites diminishes their value, denied them their target audience. My music is all Western and targeted Western Civilization.

Hello,

I apologize for any frustration here. As noted we do see you purchased the YouTube Monetization service on December 2nd, 2020, however, following that purchase your tracks were not opted into the service and therefore not delivered and were not monetized.

These tracks are now delivered to YouTube Content ID, please let us know if we can help with anything else.

Best,

Corey

Manager, Content &amp; Rights Operations

[www.tunecore.com](http://www.tunecore.com)

This Corey is instrumental in  
all the harassment against me

As can be seen from the above Email  
he acknowledged me paying and  
agreeing to have my songs Monetize  
on YouTube and Facebook, in  
this email to deny me revenue  
he claimed the content ID was  
never sent in.

After on Feb 1, 2020 I finally  
got them to take my Album Ramani  
Romance off YouTube, YouTube  
stopped putting ads on the songs.

Hi Valmiki,

Please note that none of your tracks have yet been selected for monetization. If you want to collect revenue for views moving forward, please select your tracks for monetization on your Dashboard. Unfortunately, TuneCore is unable to monetize, alter or challenge existing/retroactive YouTube view counts; please reach out to YouTube directly if issues or discrepancies persist in that regard.

This is all false as exhibited  
in other exhibits

Look at the first song uploaded  
it says monetize on youtube, more  
over it was the responsibility of TuneCore  
to indicate monetize on youtube as they  
did on all songs.

Discovery

- ① Attached here with are payments made to TuneCore Inc over a period of time for distribution. \$9.99 for a Single Song. \$29.99 for an album.
- ② After I filed the Law suit against TuneCore Inc they took down most of the Songs, leaving the album Accross the Pond on YouTube and on ITunes, and Spotify. I have no way of knowing of all the stores and platforms TuneCore left albums and singles on.
- ③ TuneCore has taken my money and expropriated my properties to their own gain. I never received a penny of income. YouTube was putting heavy advertising on all singles, video and banner ads.

Tune Core Inc

Discovery

① Attached herewith are payments made to TuneCore Inc over a period of time for distribution \$9.99 for a Single Song. \$29.99 for an album.

② After I filed the Law suit against TuneCore Inc they took down most of the Songs, leaving the album Accross the Pond on YouTube and on iTunes, and Spotify. I have no way of knowing of all the stores and platforms TuneCore left albums and singles on.

③ Tune Core has taken my money and expropriated my properties to their own gain. I never received a penny of income. YouTube was putting heavy advertising on all singles, video and banner ads.

DISCOVERY

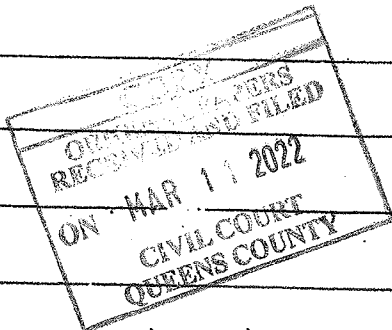

① TuneCore were never permitted to put my album on Youtube, they have and Youtube continues to exploit it to the extent that the defendant has renewed the release not permitted by me. They are also exploiting this album on iTunes and world wide without compensation. They have stolen my property rights and all.

② Attached are exhibits of TuneCore sending me false statements saying I renewed my album Across the Pond with them. My album were only to be in selected stores and platforms. They have destroyed my valuable work. This is gross theft.
